

Work in Accordance with an Issued Permit Course

Whether working as an individual alone or as part of a team/work group and working in liaison with other team members, if you are a 'permit recipient' or 'permit holder' required to conduct work activities under the authority of an issued permit to work and within the context and requirements of that permit, then this course is a must for you. This type of work typically applies to all work done by maintenance staff and contractors and also to any other non-process work performed on the plant.

This course will teach participants the skills and knowledge needed to to work in accordance with a permit which has been issued. It aims to ensure that people working under a permit to work understand the system, know the limitations of the permit under which they are working and comply with all the requirements of the permit.
